SUMMARY

Highly motivated professional with extensive experience in sales and Web Development, currently seeking a role as a Front-End Developer. Possessing a strong foundation in creating robust websites, I have progressed from basic website building to crafting sophisticated single-page applications. I demonstrate excellent communication and interpersonal skills, enabling professional interactions with colleagues and clients. Highly organized and detail-oriented, I exhibit strong analytical and decision-making abilities. Reliable and adaptable to new work schedules and challenges, I am quick at learning new skills and am committed to continual development in the field of web development.

EXPERIENCE

Web Developer

05/2020 – Present

Self-Employed; Odesa, Ukraine

- Discussed requirements with clients to produce actionable development plans and set the terms of the project.
- Developed websites and landing pages, according to designer specifications.
- Utilized HTML, CSS, JavaScript, React, Node.js, and other modern technologies for crafting high-quality web solutions.
- Implemented targeted advertising strategies to enhance the online presence, focusing on improving the performance of the developed web solutions.

Sales Manager

06/2018 – 12/2020

LP Online Store; Odesa, Ukraine

- Conducted sales in an e-commerce setting and participated in web page development and optimization, gaining experience in online retail and internet technologies.
- Analyzed and optimized the user experience on the website to increase conversion.
- Provided consultations regarding products and services, managed customer feedback, and addressed customer service issues.
- Collaborated with the marketing team to develop and implement product promotion strategies.
- Monitored and maintained the relevance of inventory and pricing policies.

Manager

07/2015 – 06/2018

LP Store Network; Odesa, Ukraine

- Managed the operations of a network of mobile accessories stores, overseeing multiple locations and ensuring consistent performance.
- Developed and implemented inventory management systems across the network to optimize stock levels and minimize shortages.
- Collaborated with suppliers to negotiate favorable terms and ensure timely product deliveries.
- Analyzed sales data and market trends to make informed decisions regarding product assortments and pricing strategies.
- Worked closely with the corporate office to align store operations with overall business goals and brand guidelines.
